The Oakdale cornet band gives President Hayes, U. S. marshal for Nebraska. The fight for this office hrs been waging for six months past, and Saunders now carries off the plume much to the chagrin of Paddock and The Omaha Republican, which now sets up a howl that it ought to have been given to some one who had done more work for the party. No question of fitness would be considered by these sharks of Neraska politics, but that is what Saunders and Hayes considered in Mr. Bierbower and he was appointed. He has served so long as depuip that he is now thoroughly fitted for the astor, at Tekamah, takes place on the office and will make a good marshal. Brownville Advertiser: Mr. E. L.

Sidney Telegraph: Ellis L. Bierbower for some time deputy United States marshal of Nebraska, has been appointed to the marshalship by resident Hayes. This ends a deal of scrambling among many ambitious office seekers of Nebraska. Mr. Bierbower has made a good record for himself in this state, and will, doubtless, prove an efficient marshal.

Seward Republican: The contest of the U.S. marshalship of Nebraska has at last been settled by the appointment of E. L. Bierbower by President Hayes. It was a selection in the comformity with civil service rules, as Mr. Bierbower has for years discharged very efficiently the office of leputy and at times managed the whole business in connection with the office. Senetor Saunders has made a creditable recommendation.
